A screenshot of a web page. At the top left, it says "Your Download Is Waiting ...". On the top right, there are logos for "CopyTrans TuneSwift" and "DownloadSecured.com". The main heading is "Complete an Offer to Continue Download". Below this, there is a grey box containing a survey. The survey text says "Please participate in a quick survey or offer below to continue." and lists six offers: "Coke vs Pepsi! Which Soda is your Favorite?", "iPhone 5 vs Galaxy S4! Which do you like better?", "GET the NEW iPhone 5S!", "Cay's vs Ruffles! Which do you like better?", "Download the best FREE Media Player!", and "Chance to WIN a Buffalo Wild Wings Gift Card!". To the right of the survey is a section titled "How Does This Work?" with three steps: 1. Complete an Offer! (Try a quick offer from the list to the left!), 2. Unlock the Download! (Your download will unlock upon your valid participation in an offer!), and 3. Presto! (Your file will immediately start to download!). Below this is a green button labeled "Download Health Test" and a green bar with a checkmark icon and the text "File Confirmed as Clean &amp; Healthy". At the bottom right of the screenshot, there is a text overlay: "Click Link Below in Description".
